Konica Minolta Group
Medium Term Business Plan

G PLAN 2013

May 12, 2011
Masatoshi Matsuzaki
President and CEO
Konica Minolta Holdings, Inc.
Cautionary Statement:
The forecasts mentioned in this material are the results of estimations based on currently available information, and accordingly, contain risks and uncertainties. The actual results of business performance may sometimes differ from those forecasts due to various factors.

Remarks:
Yen amounts are rounded to the nearest 100 million.
Evaluation of Management Policy <09-10>

Ⅰ. Execute structural reforms (survival, innovation)

| Result | Reduced fixed costs ¥38.0 billion (FY2009); generated a FCF of ¥96.0 billion (FY2009 and FY2010). |
| Unachieved | Were not able to respond to changes in circumstances in FY2010; were fluctuations in quarterly results. |

Ⅱ. Achieve strong growth (strengthen and expand existing businesses, develop new businesses)

| Result | Strengthened the production printing business and global OPS system; recovered VA-TAC market share. |
| Unachieved | Growth in existing business through the color genre-top strategy was not able to offset the effect of the yen’s appreciation. |

Ⅲ. Reform the corporate culture (simply BOLD)

| Result | Developed Group-wide awareness changing activities named “simply BOLD” |
Policy: 3 Challenges

1) Achieving growth, Expanding the scale

The essentials of imaging
Growth Strategy: Others

**Sensing**

**Measures for Growth**
- Expansion in emerging countries, mainly in Asia.
- Developing new fields such as solar cell measurement.

**Industrial Inkjet**

**Measures for Growth**
- Focus on Asian market for components.
- Enhance overseas markets (Asia and Europe) through expanding product line up for textile printing.

**Mar 2011 Actual**
- Net Sales: 8.1 (b¥)
  - Asian Market: 37%
  - New Fields: 4%

**Mar 2014 Target**
- Net Sales: 16 (b¥)
  - Asian Market: 38%
  - New Fields: 18%

**Mar 2011 Actual**
- Net Sales: 7.6 (b¥)
  - Asian Market: 42%
  - Textile: 13%

**Mar 2014 Target**
- Net Sales: 17 (b¥)
  - Asian Market: 26%
  - Textile: 24%
Creating next-generation business pillars in the field of energy saving and energy creation and contributing widely in society

**LED Lighting**
- Received orders for a light guiding module for display shelves as the first step in the LED lighting business, and will start shipment in FY2011.
- Will establish an innovative phosphor coating technology, using our glass materials technology and thin-film technologies, and will commercialize it in FY2012.

**OLED Lighting**
- Accelerating commercialization using vapor deposition in addition to coating technology and will launch a small quantity of a product in FY2011.
- Terminated the alliance agreement with GE at the expiry of the agreement.

**OPV**
- Konarka Technologies and Konica Minolta will assess jointly developed technologies in 2012 and will make a decision on policy from that time.
(2) Enhancing Profitability

Pursuing management that will make a profit in changing circumstances

- **Reformation of Product and Business Model**
  - Products and business models that will make a sufficient profit in emerging markets and in new operations and business categories.

- **Cost Reduction and Productivity Improvement**
  - Technological innovation, automation/labor saving.
  - Cut costs, improve productivity and reduce losses.

- **Optimization of Hub And Operation**
  - Using development and production resources in China and India.
(3) Increasing Deployment Capability

Increasing the sensitivity for growth fields for quick response and steady growth

Speed

- Speedy business development and expansion capabilities.
- Increasing the speed of M&A and alliances.

Real Time Management

- Increasing the level of data management capability.
- Enhancing SCM, CRM, and pipeline management.
(4) Group Interconnecting Strategy

Aiming to bolster our global operating base

- **Human Resource**
  - Cultivating executives and leaders that will manage globally

- **Technology**
  - Creating next-generation core technologies
  - Enhancing basic technologies

- **Financing/Accounting**
  - Financing for growth
  - Responding to the applications of IFRS

- **CSR/Branding**
  - Integrating CSR and business activities
  - Recognition and value of the brand as a B2B company
(5) Becoming a “Global Company”

Pursue total optimization, in which each business unit and site worldwide act as one company

- Thinking and acting from a global perspective.
- Developing globally, while relegating some responsibilities to local operations.
- Work and communication that will be accepted globally.
Performance Targets FY2013

- **Net Sales**: ¥1 Trillion or more
- **OPM**: 8% or more
- **ROE**: 10% or more
Investments for Future Growth (In Three Years)

- **R&D**
  - ¥250.0 bn.

- **Investment/Loan**
  - ¥220.0 bn.
Shareholder Return

**Dividend Policy**

A consolidated payout ratio of 25% or more.

In line with this policy, the company is aiming to increase dividends in proportion to increases in net profit.

**Share Buyback**

We will determine the appropriate timing for share buyback as part of returns to our shareholders through improved capital efficiency, based on changes in the share price.
